COVER PHOTO by P. Clifford Allen. Shelley McGallum, whose dad lives at Waitara, was very keen for us to photograph her cat. But Squeak was not very co-operative, and in fact was rude enough to poke a tongue at us. We think you had better take Squeak in hand, Shelley.

The engagement of your local photographer, listed on this page, will ensure that your wedding, 21st birthday party, or any function or event of interest, will appear in this magazine.

Organisations are also invited to advise these photographers of any activities which may be of interest to our readers.

Copies of photos published and inspection of proofs of functions covered are available from the photographer whose name appears on the photo.
