Wednesday August 14th

Only a handful of spectators braved the cold to watch the Polar Bear swimmers.

POLAR BEAR SWIM

Rotoract members staged a 'Polar Bear' swim at New Plymouth's Fitzroy Beach towards the end of last month in an effort to raise funds for the Save the Children Fund. A total of fifteen people braved the near freezing conditions and returned to land a whiter shade of pale blue.

A last look at dry (though cold) land before braving the winter cold of the sea.

The more clothing the better, seemed to be the precaution for winter swimming

After the swim it was quite a job to get warm again

This Polar Bear asks if you've 'Gone Down Lately'.

Strangely enough these girls almost looked to be enjoying their dip.

TRIALS

Junior Hockey players converged on Stratford a few weeks ago for Hockey Trials. Pictured are parts of two of the games played on the day in icy cold, wet conditions. From these trials, a Taranaki Rep team was selected.

Above and below..... Nortben and Central teams fought a fierce and muddy battle.

Members of the Egmont and Southern teams battle for supremacy in a fairly equal game.

RUGBY

CLIFTON v. INGLEWOOD

This year's inter-club Rugby in Taranaki seems to have been dominated by Clifton and Inglewood teams.

The two strongest teams in, this province met last month at Waitara in a thrilling match in which Clifton managed a one point win over Inglewood, winning 4 to 3.

KARTING

Two important events were staged at the North Taranaki Kart Club's track at Waitara in the middle of last month. These events were the Jury Cup and Pascoe Tray and on these pages we bring you coverage of the running of the last heats of both events.

A "DAGG" IN TOWN

There was both fun and excitement for a lunch-time crowd in New Plymouth recently, when a team of lady sawyers met the 'Daggs' at a competition held in the front of the Atkinson Building. The event was staged to promote a 'show' in the the Opera House.

TARANAKI v. MANAWATU
UNDER TWELVE

The curtain raiser to the Sheffield Taranaki match was between a Taranaki under 12 side and a Manawatu under 12 side.

Manawatu proved superior and won the match two nil.

SOCCER

TARANAKI v. SHEFFIELD UNITED

For Soccer fans in Taranaki, the match of the season, was the game between Sheffield United and Taranaki, held at Rugby Park, New Plymouth. Although Taranaki tried valliantly, they were no match for the much more experienced and professional Sheffield United team who won five Nil.

with Bryce McPherson

While driving in the city the other day, I came up behind another vehicle occupied by a couple of well known citizens. The man was driving; and he went through one set of traffic lights against the red, failed to give way to pedestrians at the next and very nearly went through a third set of lights. He saw the red light and stopped - very suddenly. Which was probably fortunate for him because parked on the other side of the intersection was a traffic officer.

Tact is the ability to stay in the middle of the road without being caught there.

It's hard to motivate people to attend meetings. And while I sometimes fall into the category of the unwilling, my schedule (which has to be filled) involves an average of four nights out a week.

The point of this item; the annual meeting of the Taranaki Promotion Association was held at Stratford last month. Over 270 meeting notices were sent out. The attendance - 19 people.

A woman at a banquet had tucked two handkerchiefs down the front of her dress for safe keeping. She was fumbling for one of them, suddenly realised everyone was watching her, and murmured 'I'm sure I had two when I left home'.

Complete refurbishing of the Opera House has been chosen as the major project for New Plymouth's Centenary next year. A special committee has been set up to raise the necessary finance - \$100,000.

The Opera House has been the scene for top entertainment for many years, and refurbishing will assure its continued use for many further decades. It would be fair to say that most Taranakians have at some time attended a performance of their choice at the Opera House. Thus the appeal for \$100,000 should have provincial support.

The Opera 'Faust' was being presented and the scene had been reached in which Satan is seen conducting 'Faust' through the gate of Hell: which was represented by a trap door. Satan got down all right, but 'Faust' in this instance a rather stout singer, got stuck half-way through. A man in the 'Gods' (gallery) was heard to exclaim "Thank God, Hell is full".

PRESENTATION..... Mr and Mrs Fred and Ivy Hooch of New Plymouth, were given a special present for their work over the years towards the Taranaki Darts Association. The presentation was made at the recent Darts Cabaret in the Queen's Hall, New Plymouth. It was also the couple's 49th Wedding Anniversary.

FAREWELL PARTY

A Farewell party was given at the New Plymouth Police Station last month to Senior Sergeant Shultz. Mr Shultz was presented with appropriate farewell gifts at a short ceremony.

Outdoor Training

Two Karate Ka from Wellington, Wayne Gibbons and Ron Van Krimpen held an outdoor training session with the New Plymouth branch of the Rembuden Karate Club last month. The two visitors took the class down to the sea at Bell Block where, under extremely cold and miserable conditions they put them through a tough session.

Judo team on tour

A team of Judo players from New Caledonia met a team from New Plymouth at the Tukapa Gym last month. There were some really thrilling moments and while the French were the better overall, there is no doubt at all that the local players benefited from the experience.

BASKETBALL

TARANAKI v. CHICO (US)

A Basketball team from Chico State University in the U.S. met a Taranaki team last month in the YMCA in New Plymouth.

The U.S. team walked away with a 79 to 53 win but that was not the only story. Spectators were witness to some first class basketball and the game wasn't all in favour of the U.S. team. The local side worked hard and deserved the points they achieved.

LEAGUE

TARANAKI v. BAY OF PLENTY

Heavy rain made conditions appalling for the League match between Taranaki and Bay of Plenty last month.

The match was the first of the Rothman's Elimination Series and was played at Pukekura Park, New Plymouth. Taranaki won the match with a final score of 17 to 5.

A little "discussion" between the two teams.

And after punishing attacks, Taranaki scores.

And converts.

It was easy to fell your man in the mud, but more difficult to make a good run.

WINTER SURF CARNIVAL

Into the briney — the surf race

Last year's Winter Surf Carnival at Fitzroy was such a success that it has become an annual fixture.

Many Surf Clubs in the province sent teams to compete under what can only be described as bitterly cold winter conditions.

While the weather obviously had an effect on performance, never-the-less a fairly full schedule of events was staged.

The relay race — perhaps a little more leisurely than in the summer

Well clad against the cold

First home was the least cold

CRASH — two canoes collide and spill their contents into the icy cold sea.

Overall winner of tests was Mr J Brown with his dog Ruru.

Second place went to Anna Hamilton and she was obviously delighted. Her dog is Breeze.

DOG SCHOOL

Dogs, like children will respond to training. If then, you want a well trained dog who responds to your commands, you must expect to devote quite some time to training him properly. There is however a Dog School (not the correct name) to help owner's in their training and they do a magnificent job. Pictured is the end of such a course. Perhaps we can call it the graduating ceremony.

In this exercise, the dog has to pick out his owner's handkerchief from a group of handkies, and return it to his owner.

Sue Elden and Dusty, Mike King and Perry and Mrs N. Dixon and Fleur teach their dogs to lead on command.
