VOLUME 19 NUMBER 6

WEDNESDAY JUNE 11

It has been an exciting month for us at Photo News. First of all you will have noticed our 'new look' cover. It was time we had a face lift as the old cover left quite a bit to be desired. Our new look is in keeping with modern styling yet retains something of the Photo News character.

The other excitement has been generated by the release of our first issue of a new magazine that this organisation is now producing. South Pacific Martial Arts is a new style publication and is circulating throughout New Zealand, Australia and many of the South Pacific Islands.

Photo News Ball time is near and tickets will go on sale later this month. In the meantime, don't forget to keep those nominations coming in.

Wednesday July 16th.

Cheryl Lilly and Michelle Utiyer munch on.

A is for apple

Apples are a health food. Apples are good to eat and if you really like them that much, they make for an interesting eating contest. Such a contest was staged at the end of the May holidays at Daltons Supermarket in Blagdon. There were five entries and of these, Tony King proved to be the biggest apple fan. He ate the most in the required time and established a new world record.

Debbie Beale, Tony King (the winner) Michelle Utiyer and Wayne Garrick get with the apple eating thing.

Tony King chews his way to victory. And the prize — a full crate of apples.

Cheryl Lilly retained her manners throughout the event.

Michelle Utiyer found that one hard to swallow.

"No burps please".....Wayne Garrick munches to the bitter end.

WINTER GEAR for tall girls

This month's cover girl, Jo Spencer (a tall girl) shows readers some of the fashion gear available at Accessory House in New Plymouth, for girls in the TALL category.

Below.....Jo matches brown trews that flare at the bottoms, and with tie waist, with a fair isle twin set. The result, a striking match for casual wear.

left.....(and on front cover) a two tone fur fabric, long winter coat. The coats' front pockets and sleeves are dressed up with colourful embroidery: the result an eye catching and warm garment.

below.....Jo takes on an 'Emma Peel' look by matching a tweed skirt with tweed jacket, trimmed with green fur. She pairs these garments with calf high brown leather boots.

above.....For evening wear on those cold winter nights Jo chose a black dacron long skirt with a feature pattern of orange flowers. This is teamed with a matching blouse of same pattern.

SCHOOL HOLIDAY FUN

Rys Old enjoyed bounce and catch

During the May School Holidays, the Fitzroy Presbyterian Hall was turned into a large play centre for children. The activities kept the children busy and happy and many happy hours were spent by our younger citizens either playing in the sun, or building dreams into toy realities, indoors.

Bikkies all round.

Half the fun was playing games with other children.

TARANAKI v. BRISBANE

A Soccer team from Brisbane, Australia toured many parts of New Zealand, during the May holidays. The Brisbane side played a Taranaki Schoolboy side at New Plymouth's Western Park fairly early in the piece. The match was actually an Under 13 game and Brisbane won by 6 to Nil.

Brisbane make a challenge but Taranaki stands firm.

Ref Van Hullam keeps a close eye on the game as Brisbane challenges Taranaki for control.

Brisbane's captain, Stephen Moss (No 4) and Taranaki's D. Robinson go into a tackle while the ball speeds on its merry way.

Willie Clark (Taranaki) prepares to jump as Greg Vit-Ulami and Graeme Rogers (Brisbane) bottle him in.

Alister Pagan (Brisbane 10) other team mates watch as the ball goes out.

Godlie Hook has this one covered as Jon Hitching follows through.

The ball is headed by Taranaki.

Bruce Macchler prepares to clear with other Taranaki players in support, after a Brisbane player slides into the dirt.

GRADING DAY

Winter's near enough to here and with it comes all those sports that are forgotten during the summer months. One of those sports is of course, Netball. We visited the Waiwakaiho Courts in New Plymouth on opening day. Apparently this was Grading Day when it was decided which grade various teams would play in during the forthcoming season.

War Memorial Hall WAITARA

**Plan now to attend —
last year it was the Ball of the Year**

DON'T MISS IT

This year's Ball is going to be bigger, brighter and better than before — an event not to be missed. The Mayor of Waitara, Dick Wilson will present this year's Photo News Awards to recipients from throughout Taranaki. There will be people attending from Hawera, Opunake, Stratford, Waitara, Inglewood and New Plymouth and of course Kount Five will be there too; plus a special guest.

McKechnie's Social

A Social was held a few weeks ago for the staff of McKechnies. The Social was held in the Cafeteria and drew a good sized crowd of staff, wives and friends. We are assured that the event was a big success and that all who went along are waiting for the next one.

Jubilee Ball

Fitzroy Plunket celebrated their Silver Jubilee last month with a grand Ball at the Fitzroy Hall. Just over a hundred attended the Ball and while this is by no means a huge crowd, those who did attend all commented on how they enjoyed the event more for the very reason of there being a small crowd.

RUGBY

TUKAPA v. STAR

Many people went away from this game, wishing they hadn't bothered to come. To be candid, the game was quite boring. Throughout the game it was a matter of rucks and scrums, almost continuously with little free play of the ball and certainly no brilliant play. Tukapa won the match by 16 to Star's 7.

ART FESTIVAL

The C.W.I. held an Arts Festival last month in the New Plymouth War Memorial Hall. There were a very large number of exhibits on display and these were of a most varied nature. The event was opened by Mr Sutherland, New Plymouth's Mayor and also featured a mannequin parade.

NEW MAGAZINE

Annabel Publications, the publishers of Taranaki Photo News, have commenced a very ambitious publishing venture.

They have produced a new monthly magazine called South Pacific Martial Arts. The magazine deals with all aspects of the Martial Arts and is designed to involve the many hundreds of clubs that practise a Martial Art, be it one of the Karate styles, Judo, Aikido or even Kung Fu.

The magazine will circulate throughout New Zealand, Australia and the Pacific Islands and will also involve many of the clubs in the Islands and Australia.

For an all Taranaki enterprise (it is printed in Stratford by Stratford Press) it is most pleasing to see a venture involving not only all of New Zealand but also including neighbouring countries.

Lin Annabel, Editor of Photo News, says that South Pacific Martial Arts magazine fills a definite need in this particular area. "We have approached this venture purely from club level and have received fantastic response and support almost everywhere we have been"

"Of the hundreds of clubs that have been approached so far, only one has refused to support the venture. With this exception, all have welcomed the move and not only promised support but already provided much valuable assistance".

Mr Annabel is the Managing Editor of the new magazine and will look after the day to day operation and the business side of the venture.

Helen Upson, a black belt Karate student in the Kyokushinkai style has been engaged as News and Features Editor. Helen has just returned to New Plymouth after an eight month stint in Australia, during which she visited many clubs of various styles and greatly increased her knowledge of the Martial Arts.

"The appointment of a person with a specialised knowledge of the Martial Arts was imperative for the success of this venture" said Mr Annabel. "Helen is perfect for the position and has already achieved a great deal towards the success of the magazine".

With so many thousands of New Zealanders and citizens of neighbouring countries showing such enthusiastic interest in Martial Arts, it is unlikely that the new magazine can miss, even without the support that this venture now has from clubs.

SOCCER

MOTOROA v. CENTRAL

In what was almost a surprise result, Central beat Motoroa by 3 to 2 in a Chatham Cup match held last month at Western Park. After being in such a strong position last season it was surprising to many that Motoroa were beaten in this match. However, in all fairness, Central did deserve to win the game.

There were a few gymnastics too, what with the wet ground and all.

RUGBY

CLIFTON v. HAWERA

While this game started off with the promise of being a real struggle (half time score was 3 all) the second half told the real story and lifted the Clifton score to 33 while Hawera only managed to increase their score to 13. It was great rugby, one of the better games to have been witnessed at club level, this season.

Golf Cabaret at Okato

The Okato Golf Club held a Cabaret in Hempton Hall Okato, a few weeks back. Everyone who has had anything to do with the club attended the function and a right royal time was had by all. Pictured are a few of the happy faces we saw and a few of the club's executives.

BUILD EXPO 75

This year, The Winter Show became Build Expo '75. While everyone connected with the event was running around for weeks afterwards patting each other on the backs and telling the world that it was the best ever held, the fact is that there is truth in their words. People generally had become sick of the same old formula which was dished out year after year at the Winter Show.

This year's event was different and the public, to prove that they enjoyed it, attended in droves.
