

MISS BROOKLANDS 1971

Nineteen-year-old New Plymouth hairdresser, Joanne Corbett, daughter of Mr and Mrs Royce Corbett, Egmont Road, is Miss Brooklands 1971. She was proclaimed at the ceremony at the Bowl, before a crowd of about 5,000. ABOVE—Scene on stage after she had been proclaimed. BELOW—Here is a charming study of Joanne. RIGHT—Smile of victory. Here Joanne wears the Miss Brooklands sash and cape, and carries an armful of flowers on stage.

ABOVE—Joanne is here photographed through a mirror as she finishes the hair of fellow hairdresser Lorraine Reesby. RIGHT—Joanne and her mother Phyllis Corbett arrange the flowers presented to her on her being acclaimed Miss Brooklands 1971.

ABOVE—Joanne is an avid reader of "Photo News". RIGHT—With her father Royce Corbett, Joanne has always shown a lot of interest in her father's farming activities.

SHINING EXAMPLES

Poor Friendly Freda's camera got steamed up, and little wonder when he recently photographed the Golden Conquerors marching team girls in their brief bikinis. There's an excuse though, the day was hot, and they were working for the benefit of their team on a car-wash working bee. We love photographing this sort of thing, but our ageing nervous system took a tremendous pounding . . . oh to be 40 years younger! These girls will be at their "wash-in" at Gray and Inch's garage each Saturday. (We know where there's a dusty road, pop!). ABOVE—Cor stone the crows, what a great array of spongers! BELOW LEFT—Andrea McConnell smiles at us through the windscreen. BELOW CENTRE—Sandra Johns, Yvonne Harrison, Carol Rainer and Isabel Helms soon had the job done. BELOW RIGHT—Gay Pruden was one who got on top of her job.

LIGHT INDUSTRY IS TAKING OVER

This part of the city, north of Elliott Street, was once a very desirable place to build a home, but now much of the housing is being taken over by showrooms and light industry. Courtney Street is the long street on the left, while Devon Street runs a bit to the right. As more houses get to the stage where repairs are uneconomical, it is probable that light industry and the smaller factories will take over this part of the town.

CONGRATULATIONS MIDHIRST

Well done Midhirst! Despite outside attractions your recent Sports Carnival deserved high praise for its organisation and attendance. Entertainment ranged from flying chips of the choppers to motor scrambles moving at commendable pace. For those readers unlucky enough to miss a day of local sports highlights here is a sample of the variety offered to spectators. RIGHT—Motorised horses move around tricky corners, while — BELOW—the more sedate variety trot around the course. BOTTOM—A “drop of scotch” is provided by the local Highland pipe band.

“FRIENDLY FREDA” says: “Frankly, this is for the greyhounds but with all those loyal Midhirst people here, what else can a girl do!”

LEFT—Some experienced spectators viewed proceedings with a critical eye. FAR LEFT—Junior members of the donkey brigade provide a valuable service to mini-spectators. LEFT—Stratford’s Lee Pittams awaits his chopping event. BELOW—Young fortune

BOTTOM LEFT—This rider took to space during a high-speed incident at the carnival. BOTTOM CENTRE—New Plymouth’s axeman Colin Larsen does justice to a log in the standing chop. BOTTOM RIGHT—Spectators enjoyed a grandstand view of the motorbike scramble as riders scorched through the corners.

MORE THAN A LITTLE "BULL!"

There was more than a little "bull" at the recent Cape Egmont Jersey Cattle Club's 22nd annual show at Okato. According to the judge, Mr Bill Phillips, the entries on show were some of the best he had seen and there were some mighty big bulls into the bargain. More than 100 Jersey cattle took part in the show from Okato and coastal areas making competition really keen. ABOVE—Readers can see the line-up of highly-bred quality entered. LEFT—Competitors wait for the judge's eye and decision, while BELOW—Bill Phillips carefully studies each entry before making a decision.

"FRIENDLY FREDA" says: "Just between you and me, I could jump right over the moon for that delightful critta up there".

LEFT—Daisy catches up on morning tea while her master chews over the day's activities with a friend. BELOW—Intense interest is shown by spectators during judging. TOP CENTRE—Thought our Friendly Freda might fall for this chap! TOP RIGHT—Maureen Luckin, Okato, has a soft word for her charge. ABOVE—RIGHT—Okato's Jennifer Clark prepares her entry before judging.

Weddings

B.H.S. SWIM SPORTS

Spectators at the New Plymouth Boys' High School were treated to the best during the day-long swimming sports held at the school pool. Brilliant sunshine sparkled with high-speed performances from the swimming and diving events including two records captured during individual and team races.

"FRIENDLY FREDA" says: "Silly old Moo, eh?"

After this loving kiss from Jenny Angus we bet Alf didn't call her a "silly old Moo!"

And Thank You... ALF GARNETT!

When TV star Alf Garnett hit Taranaki the New Plymouth blood bank rose in gallons and curdled — verbally of course. Alf spared no one with his razor-sharp tongue and the crowds loved it. Alf — alias Warren Mitchell — launched a red-blooded appeal for funds to purchase the New Plymouth Opera House during a bawdy concert that left no stone unturned. During his two-day stopover he gave his time to the New Plymouth Lions when he boarded their train in Brooklands Park amid hundreds of eager fans. Alf viewed proceedings in the co-pilot's cockpit with wry expression and we wonder if the famous "Moo" crept into his quick mind. Goodbye Alf, and thanks for coming.

EXPANSION!

This latest aerial picture of the port area gives a vivid impression of expansion. Just how much can be seen easily. All the area between Paritutu and Mikotahi has been reclaimed, as has the new triangular wharf area. Workers' huts and oil holding tanks have taken the place behind Paritutu, on what used to be scrub and sand hills, while the power station lies below Paritutu. Such is progress!

CITY WATERWORKS

Though not much can be seen from the main road (shown running along the bottom of the photograph) of the new waterworks, this aerial shot gives a much clearer picture of just how much work has gone into this complex. The cutting, top centre of the picture, is for the inlet pipes to the plant, while the two impressions (centre left) are some sort of holding ponds. No date has yet been set for the opening of the waterworks.

STOCK CARS

"BOLT IN" AT STRATFORD

Screaming fans, roaring engines and twisted wrecked cars were highlights of the recent meeting at the showgrounds at Stratford. In gloriously fine weather, and with drivers with nothing to lose except four wheels, these meetings are rather exciting affairs. The crowds now number thousands for each meeting, and they get plenty to keep them on their toes. TOP LEFT -Part of the large crowd enjoying the racing and the sunshine. TOP RIGHT -Cars roar round in a tight formation at the start of a race, but after a few laps the track resembles a junk yard. ABOVE-You'd think they were playing pass the drum. BELOW LEFT-Chris van Beers gives driver dad the signal as he passes the pits. BELOW RIGHT-One onto the grass, the other climbs the fence . . . that's the way the fans like it.

"FRIENDLY FREDA" says: "I've heard about driving stock but this is ridiculous!"

The visiting stockies from Napier demonstrated the value of team work and driving skill required in packed events, but they couldn't hold the stronger Taranaki team in the overall results. TOP-Fans absorbed in this popular sport. ABOVE CENTRE-Cars and metal grind in race track dust. ABOVE-Eager eyes watch car 15 (RIGHT-Ray Saunders, Stratford) take the "Lap of Honour" after winning his event. BELOW-Alan Jago in his Cresta was always in the hunt. CENTRE RIGHT-A novel art touch. BOTTOM RIGHT-For some two wheels are better than four.

RECORD CROWD AT SHOW

The organisers of the Taranaki A. & P. Society's two-day summer show are more than pleased. And rightly so, with a record 5,000 people flocking to the race-course to see New Zealand's best in stock and machinery at close range. Many highlights captured the attention of the crowds including a polished performance by Godfrey Bowen and his finely trained sheep. For extremely pleasant viewing all eyes were focussed on the Society's Pastoral Queen for 1971, Okato's Mary Williams. In all, two days of agriculture interest underlined by an impressive grand parade.

"Mary had a little ram lamb..." and what a pretty picture they make!

Six finalists took part in the Pastoral Queen contest won by attractive 20-year-old Mary Williams. They were: Lois Whitehead, Lyn Coxhead, Paula Neilson, Linda Muggerridge and Jacki Pinhey. All the girls agreed that the contest had been great fun and they had enjoyed every moment of it. Wool promoter Godfrey Bowen kindly allowed us to photograph Mary with one of his famed Expo 70 rams.

DAY AT THE RACES

Hawera turned on a great day for the races when thousands basked and betted in the bright sunshine. On the course most of the favourites came home leaving little to the outsiders. Our camera man spent time with the patrons and brought back these pictures of the day's racing.

NORTH ISLAND MARCHERS

We trust the residents near New Plymouth's Rugby Park enjoyed the strains of martial music echoing through doors and windows during the North Island senior marching championships. Four Taranaki teams took part in the contest, New Plymouth's Golden Conquerors, Stratford's Mountain Motors, Inglewood's Ingleguards and Hawera's Joystep, together with the line-up of 17 teams from North Island centres.

Ingleguard team leader Clare Jamieson makes no mistake about her bearing and salute

Massed teams form up in front of the grandstand

"Knees up, higher, higher, higher" ... no trouble to Hawera's Joystep team

Contest highlight for the spectators was the highly colourful massed march involving all the teams taking part in the championship, followed by the prizegiving ceremony where the Wellington team Lochiel took most of the major prizes and championship honours. We would pay a special compliment to the hard working St. John Ambulance officers who treated with professional care many fainting casualties in the hot overhead conditions. Their willing service kept the championships moving without interruption.

This marcher has every right to give a little whistle: she is the Joystep team leader Lynn West

N.Z.A.A.A. CHAMPIONSHIPS

ALL PRAISE TO INGLEWOOD

It was a credit to both Inglewood and the officials of the W.C.N.I. centre that things went so smoothly for the recent N.Z.A.A.A. championships at Jubilee Park, Inglewood. Comments heard from officials who attend all the championship meetings were all in Inglewood's favour, including one who said that there were more spectators here than they ever got in Auckland, which should be a lesson to the N.Z.A.A.A. to hold their championship meetings in the smaller centres, and give the enthusiastic athletics supporters a chance to see the cream of the athletic world. It was an exciting meeting in many ways, with close finishes the order of the day. ABOVE—Part of the crowd, estimated at over 4,000. NATIONAL GARDEN PARTY

Taranaki National Party members recently flocked to the home of Mr and Mrs Somerton, Regan Street, Stratford, for their annual garden party. There was a fair crowd there, and with glorious weather, the party should have added a few shekels to their funds. The local MP, Minister of Defence, David Thomson was there to officially open the proceedings, and he is shown above, doing just that, with Mrs Thomson, the county chairman Mr Harrison and Mrs Harrison, and the chairman of the ladies' committee, who were responsible for this garden party. If you like to row, row, row, your boat ever so gently down the stream then stay away from the powerful 90-mile per hour plus machines that took part in the North Taranaki Power Boat Club's major regatta at Lake Ratapiko. Some of New Zealand's fastest boats of their class entered the regatta and attracted an enthusiastic crowd. The 15-event programme gave a wide range of racing and spectator highlights including an impressive race featuring lady members of the club.

WOMEN'S OPEN BOWLS TOURNNEY

Though teams from outside Taranaki were outnumbered by about four to one, they managed to provide the winners of the recent open tourney. The weather was good (for the fours) and the greens were fast and true, and though the numbers were down on recent years, the tourney was undoubtedly a huge success. Here are some of the competitors in play. ABOVE—First Nell Giddy (New Plymouth) looks as though she's doing the twist. Then Babs Smith (Opunake) finds something to laugh about. "Photo News" asked Russell to show our readers a sample of his hobby, during an inspection of the nursery in Hine Street. Our impressions are these: make a bee-line to the nursery which is open throughout the week. The welcome and reward in beauty will make the visit a memorable one in a culture that dates back before the 17th century.

CERTIFICATES PRESENTED

Taranaki's tiny tots can expect some extra special attention during play centre classes when 21 new supervisors take up their teaching duties in centres throughout the province. During a special presentation cocktail evening at the Kawaroa Park Bungalow, New Plymouth, 21 ladies were presented with certificates of attainment to mark a year's study in play centre teaching and supervising techniques.
